

## **Heyl Brothers**

### **Mini Bio (1)**

The Heyl Brothers (Justin Heyl & Joël Heyl) are award winning filmmakers who decided to keep it in the family when they teamed up as a producing/directing duo.

They both graduated at the prestigious Utrecht school of arts and launched their careers with the release of the horror short "The Acid Theatre".

Justin Heyl founded Action Reaction Productions in 2007 and has worked on many different multimedia projects as a Director, Producer, Designer and Photographer. Justin also won an important award for upcoming talent in 2010 for his films and photography.

Besides his art he also developed a new post production technique called EDI which is enabled in the Acid Theatre.
